

**Quality HR advice**

**Value for money**

**Peace of mind**

IHRHS takes the heavy lifting out of HR so you can concentrate on building the sustainable growth of your business.

### What we offer

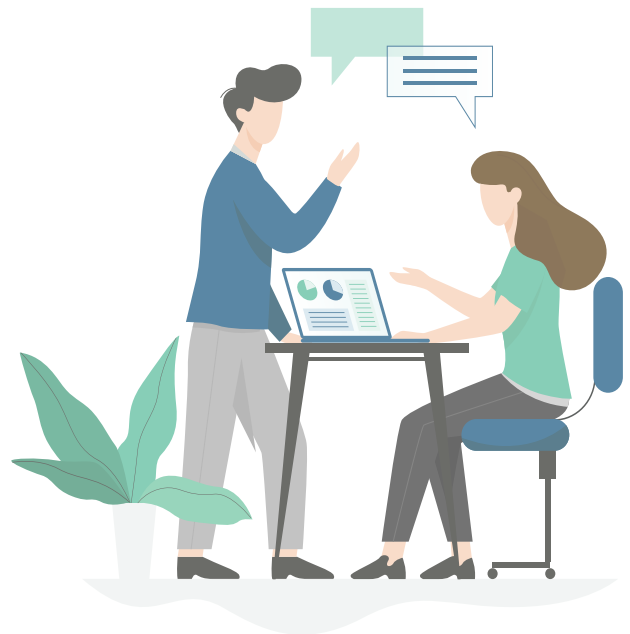

At IHRHS, our team of experts offer a **one-stop shop for HR support**, providing jargon-free guidance on the ever-changing, employment compliance landscape and helping you save on excessive third-party costs.

### Pick & Mix

Whether you engage us on one-off, consultancy projects or sign up on a retained basis, we provide **tailored HR solutions** especially for your business.

### New HR Health Appraisal

Designed to **assess the health of your HR function**, the appraisal provides an in-depth review of your current policies and procedures to **help ensure you are compliant** and provide you with peace of mind.
